**DETAILED ACTION*****Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 28 September 2005 has been entered.

***Allowable Subject Matter***

Claims 1, 3-5, 7-9, 11-13, 15-17, 19, 21, and 25-27 are allowed for the reasons set forth in the previous Office Actions on the subject.

Applicant has added additional dependent claims and altered the preamble of the independent claims. The alteration to the preamble was necessary for compliance with 35 USC 101 and 112 and for clarification; the added dependent claims have support in the instant specification, and applicant indicated via telephone conversations at earlier points that the RCE was being filed to add such limitations, as they were properly denied entry under 37 CFR 1.312 because they were filed after the issue fee had been paid.

As such, the case is sent to issue for the same reasons set forth in the previous Office Actions on the subject, and note REM filed 9/28/05 as support for added limitations.
